June 2010

Dear Volunteer

Once again we are running our Summer FLASH programme for young people aged 10 – 25 years with learning difficulties/disabilities. We have a variety of workshops, trips and activities for them to take part in over the School holidays.

We are looking for volunteers to support the young people during the programme. If you would be able to give some of your time and help, please complete the activity tick list, to let us know when you are available.

We would be very grateful of any support you can give us. If you require any further information, please do not hesitate to contact myself or Phil on the above number.

Yours sincerely

Scott Howland
Youth Support Worker
